

Model:
RM-0003 FIX

7

This diagram shows the door handle being mounted onto the door. The handle is a long, horizontal bar with a lever on the left end. It is being positioned over the door, which has a rectangular cutout. The handle is being held in place by a bracket on the left and a bracket on the right. A hand is shown pressing the handle into the door. Arrows indicate the direction of movement for the handle and the door.
